

Dear Awards Applicant,

June 23, 2015

Congratulations! Your property merits the Huntsville Beautification Award for the year 2015-2016. The Beautification Board has set very demanding requirements that must be met in order to win an award. Your property met these requirements and your judging results are enclosed.

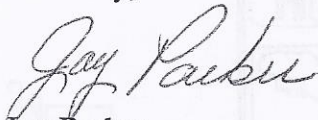

We invite you, and your guests, to attend the Awards Ceremony on Friday, July 24, 2015 at the McKee Business & Tech Complex of Oakwood University located at 5050 Adventist Blvd. Registration and light refreshments will begin at 8:30am with the Awards Ceremony following at 9:00am. Mayor Tommy Battle and the City Councilmen from each district will present the Mayor's Award and the Council Awards at that time. Award Certificates will be available to winners at the registration desk beginning at 8:30am. If you cannot attend, we urge you to stop by and pick up your certificate. There will be a photo opportunity with the city officials following the ceremony for those who wish to have pictures taken. If you do not wish to receive a certificate or would prefer to have your certificate mailed to you, please let us know via email.

The name of your property that is listed on our website will be the name printed on your certificate. Please take the time to check it out by clicking on 2015 Winners, Emailing us as soon as possible with any changes or corrections.

A sign of pride, our Beautification Award signs are awarded to all winners at no cost. New winners will be notified when and where their sign and pole may be picked up. The signs are city property and cost several hundred dollars. Please install them according to the city's instructions and be sure they are always standing straight, free of soil and visible from a public street. Do not allow anything (balloons, ribbons, other signs) to be attached to the Award sign. Please call Operation Green Team, Dee Hill, with any questions pertaining to sign installation. 256-990-6131.

Thank you for helping to keep Huntsville beautiful. We look forward to celebrating with you on the 50th Year Anniversary of the Beautification board, July 24th.

Sincerely,

Joy Parker
